Child Fund India

Summary of significant accounting policies and other explanatory information

(All amounts in ₹ except otherwise stated)

1 Significant accounting policies and other explanatory information

I) Background

- a) The Society is registered under Societies Registration Act, 1860 vide no. S/15160 dated 31 December 1984 under State of Delhi and is also registered under Sec. 12A(a) of the Income Tax Act, 1961. Child Fund India strives to ensure that deprived, excluded and vulnerable children have the capacity to improve their lives and become young adults, parents and leaders who inspire lasting and positive change in their communities. Child Fund India promotes communities whose individuals and institutions participate in valuing, protecting, and advancing the worth and rights of children.

II) Summary of significant accounting policies

a) Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ("Indian GAAP") and in compliance with the accounting standards ("AS") issued by the Institute of Chartered Accountants of India. The accounting policies have been consistently applied by the Society and are consistent with those used in the previous year.

b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Society to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of liabilities at the date of financial statements and the reported amount of revenues and expenses during the period reported. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

c) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Society and the revenue can be reliably measured. Fund received specifically towards Child Development among DEV (deprived excluded and vulnerable) category for identified children and their communities is categorized as "Relief of the poor-children" and DFC (designated funds for children).

In consonance with the Covenants (Grant Agreements with the Donors), the Grants are recognized as Income to the extent they are utilized in the respective year/s. The balance of unutilized Grants – which in terms of the Grant Agreements, are specifically restricted / agreed to belong to the Donor/s are carried forward in the respective Donor/s accounts as Donor/s Funds to be utilized in the subsequent years.

Grants income

Financial assistance provided by the donors, funding agencies and Government is recognized in the year it was received or when the entitlement for the revenue is established. Most of the government grants and assistance received are recognized as revenue when all of the following conditions have been satisfied:

- (i) The Society obtains control of the grant or the right to receive the grant;
- (ii) it is probable that the contribution will flow to the Society; and
- (iii) The amount of the grant can be reliably measured.

The revenue from Grant income is recognized over the periods necessary to match with related costs and only when there is reasonable assurance that the conditions attached to them will be complied and the grants will be received.

Interest income

Interest income is recognized using time proportion method, based on the rate implicit in the transaction.

- d) Programs implemented through other partner NGO's are treated as sub-grants and are charged off to expense/s under the head/s of account/s it is meant to be spent at the time of disbursement. Conversely, unspent balance received from partner NGO's at the closure of the program is treated as income in the year of its receipt, under the head/s of account/s reported unspent.

e) Property, plant and equipment

Property, plant and equipment's are stated at cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

- a) Assets acquired out of own funds are depreciated at the following rates based on estimated life of the assets as per the decision of the Governing Council:

Depreciation

Depreciation on property, plant and equipment is charged on the written down Value (WDV) method, at the following rates:

Particulars	Rate of depreciation %
i) Furniture's and fixtures	15
ii) Office equipment	20
iii) Computers	33
iv) Vehicles	20
v) Building	10

- b) Assets acquired out of grants are charged off to income and expenditure account as per grant agreements, and are not capitalized.

S. Philip Henry

Child Fund India

Summary of significant accounting policies and other explanatory information (Cont'd)

(All amounts in ₹ except otherwise stated)

f) Employee benefits

The Accounting policy followed by the organization in respect of its employee benefit scheme is set out below.

Provident fund

The Society makes contribution to statutory provident fund in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952. This is post employment defined contribution plan and the contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee. The Society has no legal or constructive obligations to pay further contributions after payment of the fixed contribution. The contributions recognised in respect of defined contribution plans are expensed as and when they accrue. Liabilities and assets may be recognised if underpayment or prepayment has occurred and are included in current liabilities or current assets, respectively, as they are normally of a short term in nature.

Gratuity

Child Fund India provides gratuity, a defined benefit retirement plan, to its eligible employees. In accordance with the Payment of Gratuity Act, 1972, the gratuity plan provides a lump sum payment to the eligible employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's basic salary and tenure of employment with Child Fund India. The amount deposited in the LIC Gratuity is debited to the Income and Expenditure Account.

Compensated absences

Liability in respect of compensated absences becoming due and expected to be availed or encashed is recognised on the basis of value of estimated amount required to be paid or estimated value of benefits expected to be availed by the employees.

Other short-term benefits

Expense in respect of other short term benefits is recognised on the basis of amount paid or payable for the period during which services are rendered by the employees.

g) Corpus fund

Corpus fund relates to the funds contributed by the founder members at incorporation and donations received with specific directions that they shall form part of the corpus of the Society.

h) General fund:

The Society also receives "General fund" which are unrestricted in nature. The surplus earned during the year, being general purpose in nature is carried forward for use in future periods. In case of deficit, if in any year, this is first adjusted against general fund and remaining is adjusted from the specified fund.

i) Project fund

Project fund are grants received from various funding agencies to carry out specific activities. These are held in trust until used for the purpose specified and deposits / investments are earmarked against them. Revenue from the restricted fund is recognized during the year in the Income and Expenditure Account to match the related expenditure (including capital expenditure). The balance amount is carried forward in the restricted fund for use in future periods.

j) Development fund

Development fund relates to funds assigned towards match funding and other development activities. The Board members in their meeting held on 9th March 2018, authorised the Society for utilisation of these funds over the period of three years ending 31st March 2021.

k) Expenditure

The Society implements and supports locally led, community based initiatives that strengthen families and communities. Programmes includes healthcare support, quality education and livelihood skills for strengthening training, research and policy development in the area of children through projects conducted by itself or by other partner organizations to which it disburses grants. Accordingly, "Program expenditure" includes amount disbursed to partner organisations till the year end.

l) Liabilities and provisions

The Society makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of the obligation can be made.

A disclosure is made for a liability when there is a:

- i) possible obligation, the existence of which will be confirmed by the occurrence/non-occurrence of one or more uncertain events, not fully within the control of the Society; or
- ii) present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- iii) present obligation, where a reliable estimate cannot be made.

Independent Auditor's report under section 12A (b) of the Income-tax Act, 1961 in the case of charitable or religious trusts or institutions

1. We have audited the Balance Sheet of **Child Fund India** (the "Society") as at 31 March 2018 and the Income and Expenditure Account for the accounting year ended on that date and the notes thereon (collectively referred to as the "financial statements") which are in agreement with the books of account maintained by the said Society.
2. Management is responsible for the preparation of these financial statements, that give a true and fair view of the financial position and financial performance of the Society in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the Institute of Chartered Accountants of India ('ICAI'). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Society's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Society's management, as well as evaluating the overall presentation of the financial statements.

5. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit. In our opinion, proper books of account have been kept by the Society so far as appears from our examination of the books.
6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, including the accounting standards issued by the ICAI, in the case of-
 - a) the Balance Sheet, of the state of the affairs of the Society as at 31 March 2018; and
 - b) the Income and Expenditure Account, of the surplus of its accounting year ended on that date.
7. The prescribed particulars are annexed hereto.
