

QUICK TIPS FOR CHILDREN TO BE SAFE ONLINE

- 1. Guard Your Secrets:** Address, birthdate, telephone number, parents' work address/telephone number etc. are personal and must not be shared with unknown person and without parents' consent.
- 2. Protect Your Password:** Don't give out your passwords of emails or social media accounts to anyone (even your closest friends).
- 3. Check Before Downloading:** Always be cautious while downloading from unknown websites and clicking on web links.
- 4. Think twice before sharing:** Don't share your personal/family pictures without first checking with your guardian/parents.
- 5. Safe Meet-ups:** Avoid meeting any stranger acquainted online. If necessary, inform your parents.
- 6. Set Online Rules with Parents/guardians:** Set up rules for going online with your parents/guardians. Decide the time and duration you can be online including appropriate sites for you to visit. Do not access sites without their permission.
- 7. Speak up:** Tell your parents/guardians or trusted adult right away if you come across any message, email, videos or images that make you feel uncomfortable.
- 8. Report Unpleasant Messages:** If you receive any threatening or offending message, let your parents/guardians know immediately.
- 9. Teach and Share Knowledge:** Keep sharing knowledge with friends on how to be safe online.
- 10. Be a Responsible Online Citizen:** Be good to others online and don't indulge in any activities that could hurt others or is forbidden by the law.
